A CARD.

TO WHOM IT MAY CONCERN.

BY ORDINANCE of the General Assembly of the State of Deseret, passed January 15th, 1851, "The exclusive right of working a road or roads into or through the North Cottonwood Kanyon, and to control the same," also, in connexion with previous ordinance, "to build mills, and regulate the price of lumber, timber, &c," was granted to WILLARD RICHARDS; and those rights, having been confirmed by act of the Legislative Assembly of the Territory of Utah, and not having been transferred to any person, remain with the original grantee.

FRIENDS in the vicinity of the Kanyon, lumber-men, and all who wish, can now have the opportunity of CUTTING and DRAWING LOGS to MILL in said Kanyon, and of receiving a just portion of LUMBER when the logs shall be sawn, according as they shall agree with Mr. LYMAN HINMAN, living on the premises, who has exclusive charge and management of all my business pertaining to said Kanyon until further notice. The chance for getting LOGS to the mill is the best known, but the time is short for 3000 logs wanted, as SNOW will soon fall, and the sawing should be done while the snow is leaving in the spring.

SHINGLES.—There is good Shingle timber—the best of Pine, in said Kanyon, and Shingle-makers can be accommodated on reasonable terms, to any amount. Prepare your timber before snow falls, and you can rive all the winter.

A BLACKSMITH SHOP AND TOOLS on the premises, to let to a smith who is aequainted with Mill-irons, and farm smithing generally. A good and obliging workman can find constant employ for himself and several hands, as there are many inhabitants, but no other shop near. *Enquire as above*, IMMEDIATELY.

I have heretofore accepted orders, drawn on myself, signed "A. L. LAMOREAUX, & Co." Supposing this peculiar signature to be only a freak of the writer's fancy. I took no further notice of the faet; but recently, (as I am informed, though I have not seen them,) other papers than those addressed to myself and hearing the *same signature*, of CO-PARTNERSHIP, have been afloat; but of this I have no further knowledge, as no Co-partnership in business has ever existed, neither does now exist between A. L. Lamoreaux and myself. I have never authorized the signature of "A. L. Lamoreaux & Co," to any papers or instruments whatever.

Great Salt Lake City, Oct. 8, 1851. WILLARD RICHARDS.
